

## Rural Manager – Services

### **QUICK START TO YOUR RURAL MANAGER - SERVICE CERTIFICATION**

They were formerly called Marketer Managers, Supplies Managers, etc. But they are now called Community Support or Rural Service Providers. We prefer the latter as it carries more trait of quantitative and qualitative skills to community supports.

Gaining this certification demonstrates your determination to achieve a certain level of professional competence in grass root services. It also validates that you have the expertise to support an organization in implementing, maintaining, and managing an ongoing community Financial or Health services, NGO, etc.

The training course contains examples based on real-life scenarios, as such you will gain hands-on experience and design a community service plan, enabling you to possess sufficient proficiency in managing affairs.

### **WHAT YOU GAIN FROM THE RURAL MANAGER - SERVICE CERTIFICATION**

There are many career paths you can take as a rural manager service professional, and this certification will serve as an accurate portrayal of what you can do. These include Community Representative, Agent, etc. The knowledge and skills mastered during this training course will ensure that the organization you work for has an effective system in place for community supplies relationship.
